

ENJOY UMINHO

NATURE IS PART OF OUR COMMUNITY

UMinho offers green and welcoming outdoor spaces for studying, socialising, relaxing or simply taking in the surroundings. Please make use of them in a considerate and respectful manner.

Sit down. Breathe. Contemplate. Recharge.

Bem-vindo
Welcome

Nature as a source of inspiration

Gardens, trees and green meadows promote a sense of well-being, tranquillity and a connection with the natural world.

Places to relax

Benches and tables dotted around the university invite you to take a break, read and socialise.

Biodiversity

Discover the fruit trees that enrich the university.

A campus for everyone

These spaces belong to all of us. Please use them responsibly so that everyone can continue to enjoy them.

Spaces for socialising

Tables, benches and shaded areas for group study and sharing ideas.

Small actions, big results

- Respect animals and plants.
- Do not damage the furniture.
- Keep public spaces clean and use recycling bins correctly.
- Avoid making noise or behaving in a way that might disturb others.
- Care for every space as if it were your own.
- Look after people and the environment.

**Together,
we are building
a more sustainable
university.**
